<p><b>Heavy Breather</b> He/she breathes loud, possibly only through their mouth, and sounds like Darth Vader.</p>	<p><b>Throat Clearer</b> This one clears the throat before every comment shared—and every comment not shared!</p>	<p><b>Mmm-hmmer</b> After every comment, he/she has to verbally agree. “Right,” “Yes,” &amp; “Uh-huh.” “That’s right!”</p>
<p><b>Pen-clicker</b> The fine art of ball point pen retraction and extraction is practiced by “this guy/gal.”</p>	<p><b>Table Thumber</b> Any table or desk can serve as congas for “this guy/gal.”</p>	<p><b>Fingernail Clacker</b> The rhythm in his/her head cannot be contained and must be shared using nature’s snare drums.</p>
<p><b>Weird Throat Noise Maker</b> Unnatural noises emanate at random times from the esophagus and beyond.</p>	<p><b>Hair Player</b> This one can’t resist twirling, pulling, braiding, and petting (mostly, his/her own) hair.</p>	<p><b>Mover &amp; Shaker (Mr./Ms. Fidget)</b> Another cup of coffee? Oh, you’ve already had four? OK. An object in motion tends to stay in motion.</p>
<p><b>Gum Smacker</b> His/her gum chewing sounds like a percussion solo for all to enjoy.</p>	<p><b>Sniffler</b> Every other breath is accompanied by a sniff or a snort. Get a tissue already!</p>	<p><b>Table Bumper</b> It’s not an earthquake. This person’s knee can’t seem to avoid the table’s leg.</p>
